Supervisors Defer Action On Two Resorts

CLEAR GLASS FRONTS MUST BE INSTALLED IN ALL BARS

Ordinance No. 397 which governs the retail liquor business of Richmond was amended by the council last night, calling for clear glass fronts on all saloons within 30 days. The amendment to the ordinance was prepared by City Attorney D. J. Hall upon the favorable report of the council several weeks ago to put glass fronts on all liquor establishments.

MUST SUBMIT PLANS.

Before a saloon owner can go ahead and put in the glass front on his place of business he must first submit plans for the proposed work to the council. No signs, lettering or other objects which will hinder a clear view of the entire bar room will be permitted on the glass fronts.

CHAIRS IN SALOONS.

Saloons are given the right under the new amendment to place chairs and tables in the main bar room. No saloon will be permited to have boxes or booths, only one of which be may be installed, this to be the owner's private office.

TAKE IT AWAY.

The taking away of any liquor from a saloon under the former ordinance, which could have been regarded as a misdemeanor offence, has been changed in the amendment, granting this privilege to persons wishing to buy beer in buly quantities.

ALAS AND ALACK FOR CORN ARTISTS; CAMEL HAIR BRUSHES GONE

If you have corns and wish to paint them with iodine or quicklime, or just what it happens to be that they use to abate a nuisance—you'll be out of luck, for the little camel hair brushes that corn artists use have dropped from sight.

Inquiries at any drug store will bring the reply that the brushes which formerly came from Austria are all warbound" in that country; likewise indelible pencils and certains mineral waters.

BOARD ORDERS OVERCHARGES PAID OWNERS

Overcharges to the amount of $2000 said to have been collected by the Raven Construction company through the alleged falsification of books in the city engineer's office by Walter Hughes were ordered paid to the property owners by the city council last evening.

The overcharges, according to City Engineer H. D. Chapman, will average $1.25 per lot and were made for work done in the Pullman district.

Individual checks were requested by the council to be paid to the city engineer who in turn will give them to the property owners.

"GRANDPA" LUCE, FATHER OF A. E. LUCE SUCCUMBS

LINCOLN, Jan. 16.—William H. Luce, known throughout Placer county as "Grandpa" Luce, died at his home here last night at the age of 90 years. His widow, Mary Jane Luce, 85, is critically ill and is not expected to live through the day.

Deceased came to California by the way of Panama in 1866. He has lived in Placer county since that time, following ranching for many years. He was a native of Maine, where he served for sixteen years as captain in the state militia.

Deceased had been married for sixty-four years. Besides the widow two sons survive, Albert Luce of Richmond and George W. Luce of Lincoln.

WALL AGREES TO PLANT 400 TREES ON TRACT

Providing the city will agree to water and care for them, George Wall in a communication to the city council last evening offered to plant from 300 to 400 trees in the Harbor Center tract.

The matter was referred to the tree planting committee and the city attorney.

GUILD AND AUXILIARY TO ELECT NEW HEADS

New officers will in all probabilities be elected by the Guild and Auxiliary of Trinity Episcopal church at a joint meeting held in the church parlors today.

Prior to the business meeting of both organizations an address was made to the members by Miss Hawley, diocesan secretary of the California Auxiliary.

5000 TREES TO BEAUTIFY CITY IS PLAN OF COMMITTEE

Richmond's tree planting commission which has been studying the soil and climatic conditions of this city for the past four years and which has been sorely hampered by a stringent state tree planting act, has adjusted matters satisfactorily and will shortly commence work.

5000 TREES NECESSARY.

It is the opinion of City Engineer H. D. Chapman who will present maps to the council next Monday night showing the district to be beautified that approximately 5000 trees will be needed for the work.

The district as mapped out by the tree planting commission is from the Oakland branch of the Santa Fe Railway company to Barrett avenue and from First to Twenty-third street.

No trees will be planted on Macdonald avenue or Sixth street.

TO COST $1.50 A LOT.

Each property owner will be assessed $1.50 a lot for the trees to be planted. It is planned to start the work within the next 30 days.

GARBAGE WAGON MAN FINED $5 IN COURT

H. Stratz, a garbage wagon driver, was arrested and fined $5 in the police court this morning for a violation of the city sanitary ordinance relative to scavenger wagons.

Stratz was taken into custody by Sanitary Inspector Homer Wyatt.

NEW ORDINANCE WINS PROVIDE NEW HOURS

A new ordinance, given its first reading by the council last evening, provides that all city offices in the future must remain open continuously from 9 a. m. to 5 p. m.

This has been made possible by combining the city health office and building inspector's offices, telephone calls to which will be answered by Miss Joy Smith of the health office.

RAILROAD AVE. IS A THING OF THE PAST

Railroad avenue, for many years Richmond's "white way," passed out of existence last night when the council changed the name to Standard avenue.

Ill repute houses which once flourished on this street are being repaired and remodelled into cottages for Austrian residents of the west side.

C. OF C. TO LUNCH AT CLUB TOMORROW

President J. C. Owens of the Chamber of Commerce will preside at the luncheon and meeting of the directors of that organization to be held at the Elks club tomorrow at noon.

Secretary J. A. Long will discuss a number of important matters relative to new factories with the directors at that time.

$25,000 IN BONDS FOR SALE

Auditor James McVittie was last evening instructed by the council to sell to the brokerage firm of E. H. Rollins & Son of San Francisco 25 highway bonds bearing four per cent interest at $1000 each. The money will be turned into the tunnel and highway improvement fund which is said to be nearly exhausted.

NO CROSSINGS TO BE PLACED OVER SANTA FE TRACKS

Grade crossings for Third, Fifth and Eighth streets across the Oakland branch of the Santa Fe will not be installed as ordered by the council one week ago.

Possible litigation with the railroad company and the fact that the crossings have not been sanctioned by the Railroad Commission are said to have balked the plan. The following statements of officials representing both parties disposes of the matter temporarily:

City Engineer H. D. Chapman—"As far as I know the thing is squashed."

W. B. Trull, agent for the Santa Fe—"Should the council go ahead and open the three streets across our Oakland branch without the sanction of the Railroad Commission we would immediately seek a restraining order to stop them.

The board took no action in the matter last night.

EL CERRITO CAMP WOODMEN INSTALL

El Cerrito Camp, Modern Woodmen of America, will install K. E. Williams as counsel for the coming year at Woodmen hall tonight. The installation will be followed with a banquet.

Other officers to be installed are: G. L. Conn, advisor; C. P. Neckel, banker; C. B. Evans, clerk; D. E. Wilkenson, escort; P. Rosier, sentry; F. A. Zimmerman, watchman.

$1000 SLOGAN OF BALL COMMITTEE

Fraternal organizations of this city are preparing to appoint delegates to the joint meeting to be held in Moose hall Sunday, January 28, at which time arrangements for the monster charity ball will be completed.

It is the intention of the committee in charge of the affair to raise $1000 for the poor of this city.

CURRY WILL LEAVE HOSPITAL TOMORROW

R. H. Curry, injured several days ago when struck by a Santa Fe train at the Tenth street crossings, will be removed from the Craven hospital to his home, 1134 Ohio street, tomorrow.

Doctors attending Curry were forced to place a silver plate in his right leg owing to the seriousness of the injury.

COUNCIL TAKES NO ACTION IN SQUABBLE FOR HOTEL PERMIT

An appeal from Joseph Ganetti, former proprietor of the S. P. hotel, 1518 Macdonald avenue, that the council rescind action in the revocation of his saloon license was read and placed on file by the board last night.

Among other things, Ganetti alleges that as a result of the board's action in taking away his license that his business has been destroyed, a new man has taken possession of the place of business, and that he has not been recompensed for his furniture and fixtures.

Ganetti mentions Leo Persico, former real estate dealer, as the new owner of the hotel whom he claims has taken over the saloon business, only paying him for the liquors on hand.

Ganetti claims that John Rafino, is a partner in the business besides A. Colleti, and asks another opportunity to begin over again.

According to members of the council, Ganetti, while questioned at a hearing on a charge of selling liquor to persons on the police blacklist for which his license was revoked, that no other person besides Colletti was in business with him.

The board took no action in the matter, it having allowed Persico a license transfer to the new place of business one week ago upon the recommendation of the license committee.

COMPANY F GIVES DRILL AT DANCE

A grand ball was held by the Moose Defenders in their lodge rooms, Sixth street and Macdonald avenue, last evening. Music for the dancing was furnished by the Schwartz Orchestra. The reception committee for the evening was composed of W. H. Van Valer and H. D. Van Valer.

Prior to the dance a military drill was given by the members of Company F.

BOARD FILES LETTER ON NAVAL BASE SITE

A communication from Wells Drury, secretary of the Berkeley Chamber of Commerce, asking the co-operation of Richmond in the adoption of a resolution favoring the Albany site for a naval base, was filed by the council last night.

The resolution includes the donating to the government of as much land as in necessary for the naval base.

CEMETERY PUMPING PLANT TO BE MOVED

Superintendent George R. Fletcher of Sunset View cemetery is supervising the moving today of the cemetery's mammoth pumping plant from the west to the east side of Panhandle boulevard.

The pumping plant is equipped with several powerful pumping engines used for piping water to the cemetery in the summer time.

RICHMOND ASKS THAT COL. REES BE KEPT HERE

To the war department at Washington today went a letter from the city clerk's office asking that Col. Thomas H. Rees, in charge of the Richmond harbor work, be retained instead of being transferred to Honolulu.

The letter was recommended by the council last night, owing to the time and labor which Rees has given to improving the local water front.

FREEHOLDERS TO EXPLAIN CHARTER TO THE COUNCIL

Declaring that certain portions of the new city charter were in error and that minor changes would probably have to be made, City Attorney D. J. Hall last evening advised the council to meet with the board of freeholders Wednesday evening and settle the outstanding discrepancies.

MISSOURI BLIZZARD OUTCLASSED HERE

"It's colder in Richmond today than it was when I left Joplin, Mo., a few days ago, despite the fact that there was snow back there," stated M. R. Roberts, president of the Social Service Bureau, on his return here this morning.

Roberts was called east by the sudden illness of his mother who had entirely recovered from an attack of pneumonia from which she was suffering when her son left for this city.

NEW HOMES RISE IN ANNEXED DISTRICT

Two new seven-room residences are under construction in the Richmond Annex tract at El Cerrito One is being erected by George T. Guzici, a wealthy stockman of Lassen county at a cost of $3500. The other building when finished will be the home of H. T. Bowman, employe of the Southern Pacific company at San Francisco.

WATER COMMISSION DEBATED AT CLUB

Interesting as well as educating was the debate over the dissolution of the Richmond Dater Commission held at the Richmond clubhouse yesterday. D. J. Hall, manager of the water board, and J. H. Dockweiler, engineer for the commission, presented numerous facts based on well founded ideas why the commission should be retained to carry out its proposed work.

Opposing the water board was District Attorney T. D. Johnston. Attorney T. H. DeLap, who was to have taken sides with Johnston, was unable to be present at the meeting.

Mrs. W. W. Felch, president of the club, presided at the meeting.

PROTESTS AND APPLICATIONS ARE TABLED FOR ONE WEEK

(Special to Record-Herald)

MARTINEZ, Jan. 16.—Although contending that protests against the Grand Canyon Chateau and "Billy's" Cabaret, two Richmond roadhouses, were not filed within the required time, the board of supervisors yesterday tabled both protests and permits for one week.

HAVE LICENSES.

According to the board it was not until two weeks after the licenses had been granted the two resorts that protests were filed against them.

Meantime a thorough investigation of the reputations borne by the resorts will be made by the supervisors prior to taking definite action next Monday.

MISS HITCHCOCK IS NEW YEAR BRIDE

Miss Nina E. Hitchcock of this city slipped quietly off to San Francisco yesterday and became the bride of Nels Hokanson Jr., of Vallejo.

The young couple, following a short honeymoon, will make their home in Vallejo, where the groom is employed. Miss Hitchcock gave her age as 19, while Hokanson gave his as 35.

LAST MINUTE NEWS

(Special to Record-Herald)

MORE MEETINGS.

MARTINEZ, Jan. 16.—Increased business made it necessary for the board of supervisors yesterday to set the first and third Mondays of each month as the meeting dates for 1917. In the past the board has held its meetings on the first Monday of each month.

NEW INSANE WARD.

MARTINEZ, Jan. 16.—An eight-room addition to the insane ward of the county hospital was yesterday ordered by the supervisors. The new building will be constructed entirely of concrete.

Benjamin Franklin was born January 17, 1706, Two Hundred and Eleven Years Ago. He Said:

"Beware of little expenses, a small leak will sink a great ship."

We believe a bank account will be of great assistance in checking the little expenses found in every home.

Independent Democrat's Official Paper of City of Richmond

EDITORIAL WRITERS.

We used to be soberly assured, a few years ago that "the day of the editorial is past." The editorial had lost its power. Newspaper readers had ceased to heed it. The editorial column was doomed to disappear altogether within a few years. People wanted nothing but news. They wanted to read the facts and form their own judgment. They didn't want any editor to give them advice.

But today the situation seems to have changed. If the editorial had really fallen into disrepute, it seems to have taken on a new lease of life. Newspapers are printing more editorials than ever before. And so far as editors can judge, more people are reading editorials than ever before.

There isn't any great mystery about it.

For one thing, editorials are more honest than they used to be. Some people may scoff at that statement. But turn back to the files of almost any paper ten, twenty or thirty years, and you'll be amazed at its prejudice, its intemperance, its personal animus toward public men and public questions, its frequent suggestion of private interest determining the policy of the paper. Today editorials are far less personal, far less partisan, far less narrow in every particular, and generally free from any taint of private interest. Their motive is almost invariably the public welfare.

Moreover the average editorial of today is better written. That statement, too, will be doubted by old-timers full of reminiscenses of Greeley, Dana and other great names. But there were few Greeleys and Danas. Turn back to old files, and read. You'll be disillusioned. And even if you find current editorials full of rhetorical faults, you may admit that they're "interesting"—a matter more important than mere style.

These qualities of honesty and attractiveness have won back newspaper readers who seemed about to slip away. But there's another reason based on general newspaper development. The very thing on which the critic counted to shelve the editorial has made it more necessary than ever.

The greatly increased volume of news printed nowadays leaves the reader rather helpless. He hasn't time to read it all carefully, digest it for himself and form his own conclusions about part of it is especially important, and adds suggestions of his own as to the application of the news to big principles and public issues. He acts as a judge, summing up the evidence, rather than a partisan suppressing or distorting evidence and turning it to his personal use.

And thus, the editorial today is apparently a more potent force than ever before.

The proposed city charter may have some inconsistancies and inaccuracies in it as is claimed by some—it would be a wonderful document if that were not true—but after all it is a pretty good instrument and will doubtless prove an excellent enabling act for the development of our wonderful young city. There never was a document of this character drafted that did not contain flaws. The proposed Richmond charter probably has many. However, these can be remedied and doubtless will be and in a year from now we will be sailing along serenely and successfully and glad that we made the change.

The people of Richmond will be foolish if they cast from themselves the organization of the Richmond Municipal Water district. It is a good thing as a weapon of defense and should be kept laying around handy, to be snatched up at a moment's notice to repulse an attack from the voracious hunger of a rate raising public service corporation. Whatever may be our grievance against the present board of directors of the district, let us not cut off our own noses—it would be the heighth of folly to do so.

Chicago had but one hour of alcoholic celebration of the New Year. The lid was lifted at midnight and was promptly slammed down at 1 a. m. Even this little relief must have been welcome. It would be a frightful thing to compel the residents of a great city to start their New Year sober.

The Pueblo judge's heart who fined a wife beater $100 for assailing his 100-pound wife was probably in the right place, but we object to his schedule. The smaller the wife, the higher the pound rate for beating should be. We know some husky dames a mere attempt upon whom would carry its own punishment.

One of our exchanges cautions President Wilson that it is not unusual for the combatants that to turn upon the peace maker and do team work upon him. This may be the case when they are fresh and vigorous, but when they are down and out they are thankful to anybody who rings for an ambulance.

Americans have bought the home of Lafayette to be used as a museum. Americans had previously shown what they thought of him by naming for him 34 towns and rivers big enough to get into the gazetteers. And how many American towns are without a Lafayette street?

There are two reasons why Theodore Roosevelt is opposed to the League to Enforce Peace. The first is that William H. Taft helped to organize the league, and the second is that Woodrow Wilson has approved of its aims and objects.

Women, after all, may be the direct cause of the high cost of existing. If they didn't wear such short skirts the farmer lads might not be so keen to leave the good old farm and rush into the crowded cities.

Europe has again kicked the dove into the official dump heap. But the baseball season will be along on schedule time and the office boy's grandmother will continue to die every Saturday afternoon. Cheer up and smoke up!

MYSTERIOUS PAINS AND ACHES.

Make Life Hard to Bear For Many Richmond Women.

Too many women mistake their pains and aches for troubles peculiar to the sex. More often disordered kidneys are causing the aching back, dizzy spells, headaches and irregular urination. Kidney weakness becomes dangerous if neglected. Use a time-tried kidney remedy—Doan's Kidney Pills. Hosts of people testify to their merit. Read a Richmond case:

Mrs. E. Hafer, 140 Eleventh St., Richmond, says: "I think being on my feet too much and overwork is what brings on attacks of kidney complaint. When I have an attack, I get sharp pains in the small of my back and I feel miserable all over. I am tired all the time and very nervous. I get headaches and dizzy spells, also. I use Doan's Kidney Pills, at these times, procured from the Richmond Pharmacy, and they soon fix me up in fine shape."

Price 50, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hafer had. Foster-Milburn Co., Props., Buffalo, N. Y.—Advt.

INCOME TAX PAYABLE BEFORE MARCH 1

The time having arrived to file income tax returns under the federal income tax law for the year 1916, announcement has been made by Joseph J. Scott, collector of internal revenue at San Francisco, that a severe penalty will be imposed upon every individual liable to file return but fails to do so on or before March 1, and upon the officers of every corporation who fail to comply with the law. In the district covered by the collector of internal revenue at San Francisco are the forty-eight counties in California, north of the nothern line of Kern and San Luis Obispo counties, also the entire state of Nevada.

Returns may be filed either at the main office in the Custom house at San Francisco, or at the branch offices at Oakland, Sacramento, Fresno and Reno.

Immediately after March 1 a large force of field officers will be sent out to canvass the territory, and those who are liable to file returns and who have not done so at that time will be required to do so and will become subject to the penalties of the law. These penalties provide both a heavy fine and imprisonment within the discretion of the court for non-compliance with the law.

Collector Scott states that every opportunity will be given for voluntary filing. His office will be kept open at night for a certain part of the filing period in order that individuals and corporations may be accommodated, but no excuse will be accepted for failure to comply with the law in the case of those persons having sufficient income to make them liable. The internal revenue office has been advised as to a great many of those persons throughout the district, it having on file numerous reports from investigators who have been at work gathering information during the past year. This information has been obtained from every conceivable source and the incomes of a great number who have not heretofore obeyed the law have been practically ascertained. There will be a "cleanup" in respect to these individuals if they fail to file on or before March 1, this year.

It would take a great deal of space to explain the change made in the income tax statute by the revenue act of September 8, 1916. Information regarding these changes will be given promptly upon application in writing or in person to the internal revenue office in San Francisco or at any one of the branches mentioned. Lack of information will not be accepted as an excuse if any persons with sufficient income to make him or her liable is found after March 1 not to have complied with the law.

In the past considerable leniency has been shown, but the income tax law having been in effect three years it is felt that the time for leniency has passed as the opportunity has been offered for all to inform themselves.

QUEENLY, BEAUTIFUL AND LOVELY IS EDNA GOODRICH IN "HOUSE OF LIES"

The ideal American beauty, in the most becoming of all her gowns, the wedding dress, triumphs in the elaborate, complex society photodrama at the Richmond theater today.

Queenly, the personification of loveliness, Edna Goodrich with her perfect beauty and regal carriage makes a wonderfully attractive bride-to-be in the Morosco-Paramount photoplay "The House of Lies" that deals with the determination of a beautiful American woman to be won for her other qualities besides her beauty and appearance.

Rebelling against a mercenary family she sacrifices her beauty that the supreme test might succeed.

So imbued with the spirit of the out-of-doors was Pauline Frederick after she had completed "Nanette of the Wilds" for the Famous Players Film company that the celebrated star departed on a four-day hunting trip as soon as the last scene for the production had been completed and it was ready for presentation on the Paramount program. It is the featured attraction at the Richmond theater tomorrow and Thursday.

"Nanette of the Wilds" is a tale of the Royal Canadian northwest mounted police which tells the story of the battle between one of the fearless souls and the equally brave daughter of a Canadian liquor smuggler. The play was written by the well known author and actor, Willard Mack, who plays an important part in the production, the entire action of which transpires in the wilds.

IF KIDNEYS AND BLADDER BOTHER

Take a glass of Salts to flush out your Kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.—Advt.

"LONDON TAPS" IS HERE; HAS MOST OF DANCE FOLK BUSY

The "London Taps" has arrived in Richmond.

It has been the rage in New York and the warlike suggestion of the name has made it popular, as it has graduated along from place to place on its tour.

"London Taps" is the latest dance, and it has reached the Pacific coast. The only warlike feature of the dance, however, is the sound of the drums in the orchestra and the tapping of feet by the dancers.

Wherever the dance has been introduced it has firmly held the lovers of the art of terpsichore. The dance is not an easy one to master and the rhythmatic tapping of the dancing pump on polished floors is much harder to execute than it appears.

Roll back the rugs and try to step off the latest arrival among the ballroom pastimes. There are seven movements of the dance, including all of the taps, and here they are:

1. Walk four steps, gentleman going forward, left foot first; lady going backward, right foot first.

2. Stop. Forward with left foot, then bringing right foot even with left, tapping lightly with ball of each foot.

3. Same as 1.

4. Stop. Then tap toe to heel four times, left, right foot.

5. Same as 1.

6. Ordinary two-step movement, starting with heel, one step either foot, count of four.

7. Same as 1. Then repeat 2, 3, 4, 5 and 6.

SANTA FE OFFICIAL HERE THIS EVENING

A. G. Wells, general passenger agent for the Santa Fe company, with headquarters in Los Angeles, will make a brief stopover in this city tonight enroute from the Hawaiian islands to the south.

This is the first visit to be paid to the local offices this year by the official.

SUGAR TRAINS START ROLLING FOR YEAR

Sugar trains which kept the local freight yards busy throughout the greater part of 1916 have commenced rolling to the various inland towns from this city. The cars are brought here on the Santa Fe barges and coupled on behind fast locomotives which speed them to their destination.

Two long trains of this character pulled out last night.

ON VISIT

L. N. Schumacher of Marysville is visiting with his brother, Frank Schumacher, for a few days.

DECEMBER SHIPMENTS OF OIL MAKE RECORD

SAN FRANCISCO, Jan. 16.—Shipments of crude oil from California fields in December established a new high record, according to advance sheets of the forthcoming Standard Oil bulletin, the outgo being 316,563 barrels per day. Production for the month averaged 255,383 barrels daily, a decline of about 7000 barrels per day from the November record.

"SUSIE" TRILLS IN BASKET AT CITY HALL

They called him "Susie" at the city hall because he had such an effeminate pipe to his little voice when he landed in the office of the city clerk yesterday.

"Susie" is a bright yellow canary, which in its own little cage at home probably had the name of "Dick." But yesterday's high wind and frigid air took all the life out of him, so that when he flew in the clerk's office he was just about all in.

City Clerk Faris has made an improvised cage of a waste paper basket for "Susie" and is holding the bird until its owners arrive.

DRUGLESS HEALING TO BE CONSIDERED

SACRAMENTO, Jan. 16.—Senator John W. Ballard of Los Angeles will introduce tomorrow the first of the drugless healing bills of the session, of which there are expected to be several.

Ballard's bill will provide for the creation of a special board of examiners to pass on the qualifications of the drugless practitioners, including osteopaths and chiropractics, whereby they may legally be permitted to practice their professions. They are not now recognized under the state medical laws.

Because they do not possess the medical knowledge and experience required by the state board of medical examiners the drugless healers are unable to obtain state licenes. They claim they are entitled to full recognition and should be licensed by a board consisting of members of their own profession.

NOTICE OF FILING OF UNPAID ASSESSMENT LIST NO. 280.

Notice is hereby given that on the 16th day of January, 1917, H. D. Chapman, Superintendent of Streets of the City of Richmond, filed with me a complete list of assessments unpaid under the certain warrant, assessment and diagram issued to W. L. Ballenger, the assignee of S. C. Rogers, the contractor, on the 14th day of December, 1916, for the improvement of a portion of Twenty-third Street, in said city, under and pursuant to Resolution of Intention No. 280 of the City Council of said City, passed and adopted May 1st, 1916, and other proceedings had in conformity thereto under the Improvement Act of 1911 and the Improvement Bond Act of 1915, reference being hereby made to said Resolution of Intention for a description of the work and the district therein mentioned, which Resolution of Intention, together with all subsequent proceedings, contained a declaration as follows:

"And notice is hereby given that serial bonds to represent unpaid assessments, and bear interest at the rate of seven (7) per cent per annum, will be issued hereunder in the manner provided by the Improvement Bond Act of 1915, the last installment of which bonds shall mature five (5) years from the 2nd day of July next succeeding nine months from their date."

Interested persons are hereby notified that they may appear before the Council of the City of Richmond at the regular meeting of said Council to be held on the 22nd day of January, 1917, at the hour of nine (9) o'clock p. m. and show cause why bonds should not be issued upon the security of the unpaid assessments as shown on said list, that being the time hereby fixed by me for such purpose.

Dated, Richmond, California, January 16, 1917.

(SEAL) A. C. FARIS,
Clerk of the City of Richmond and ex-officio Clerk of the City Council of said city. Jan16-2t

SCHUMANN-HEINK SINGS FOR SOLDIERS

EL PASO, Jan. 16.—Before an audience of soldiers and officers from the Ohio regiments on the border, Mme. Ernestine Schumann-Heink sang a number of her favorite songs yesterday at Camp Pershing. Mme. Schumann-Heink was presented with a silver loving cup and bouquets of flowers by the Ohio troops.

Mapor William A. Atkinson, chaplain of the Second Ohio Infantry, arranged the concert.

BABY CARRIE ELLSWORTH TO DANCE AT FETE OF NATIONAL GUARDS

Richmond's little sweetheart (Mary Pickford's rival) Carrie Ellsworth, will feature at the indoor fete given in honor of Company B of Richmond by Burke Council, Y. M. I., and Richmond Institute, Y. L. I., at the Richmond clubhouse on Friday evening, January 26.

Little Miss Ellsworth has appeared at the Cort theater in San Francisco and also danced out of a huge clock at the St. Francis hotel in San Francisco on New Year's eve as the hour of midnight struck. As an international dancer she has gained considerable fame. Those who witnessed the New Year's celebration at the municipal dock know well how hard it was to even get a glimpse of the little dancer through the hundreds of spectators.

Miss Lucile Kister, of Greek theater fame, who has also appeared at several social function in San Francisco, will entertain the guests with her sweet voice.

The crack orchestra of Alameda Council, Y. M. I., will furnish the music for the dancing.

Invitations will be sent to the members of the Company B and their families. The affair will consist of the above program, door prizes, refreshments and dancing.

The following committee has charge of the affair: Steve Detlow, J. Silva, J. Riordan, P. F. Galligan, John Wagner, Mrs. Bessie Detlow, Mrs. Mary Corcoran and the Misses Florence Tavalora, Rose Kane, May and Anna Grierson and Jewell O'Rourke.

BAND ALLOWED TO CHANGE ITS NAME

That they might easier approach merchants and business men of this city for donations, the council last night permitted the members of the Richmond Concert Band the privilege of changing their name to that of the Richmond Municipal Band.

A communication to the board from W. S. Darrow, secretary of the band stated it to be one of the best advertising mediums which the city possesses at the present time.

It is the intention of the band to ask for $1000 annually from the city for which they will turn out to all public affairs. The members are planning an entertainment this month to bring up their finances.

OIL STATISTICIANS FIND 1916 RECORD YEAR

According to the statisticians of the Standard Oil company, 1916 was a record year in the petroleum industry.

The demand for California crude oil production in 1916 exceeded the supply by 35,822 barrels daily, with a resultant decline in stocks of 13,110,861 barrels.

While production is in excess of 1915 by 5,493 barrels daily, shipments were far in excess of 1915—the comparison showing for 1915, 249,167 barrels daily, and for 1916, 286,703 barrels daily.

War News

Field Marshal Von Mackensen's outposts are now planted only six miles from Galataz, the Rumanian port on the Danube end of the Sereth line, the Teutonic pressure having resulted in another gain yesterday when the town of Vadeni was taken. Vadeni is a scant two miles south of the Sereth river itself, on the railroad between Braila and Galataz.

On the northern end of the Russian front in the Riga district the advances recently scored by the Russians appear to have been maintained in the face of heavy counter-attacks by the Germans.

Operations on the west front are confined for the most part to the artillery.
